MEMORANDUM FOR:

FROM: Director of Central Intelligence

SUBJECT: Counterintelligence Issue

1. Thanks for your helpful and clear explanation of the counter-intelligence issue to Dr. Brzezinski. Please follow up to the DDCI on getting anything you can about the specific requirements levied about him.

2. When the President made his first overseas trip (which I believe was in the spring or summer of 1978), we had reports of an assassination plot against him.
